

CS-FAST: Zoom Assignment

Are you familiar with Zoom? Do you have a virtual background yet?

If you've answered "yes" to both of these questions, then no need to complete this assignment.

If you are new to Zoom, please watch these videos:

1. What is Zoom and how to sign up?

2. How to join a meeting?

3. What are breakout rooms? (We will be using these often.)

Assignment: create yourself a virtual background. Be creative!

Note: if you are using Zoom on a Chromebook, then you will not be able to create a virtual background (and that's fine!)

We look forward to seeing your virtual background (if you have one) at our Coffee Time!
